Dear CRJ Students & Families:

Last week we communicated to let you know some of the decisions that have been made with regard to the Covid-19 pandemic and reopening of Cristo Rey Jesuit High School for the 2020-2021 school year. Of note, we shared that our school year will begin on Monday, August 31st and that the school year will begin in a 100% distance learning format.

We also promised that we would share with you this week the full *Reopening Plan & Protocols for the 2020-2021 school year*. Attached to this email, you will find our 17-page reopening plan that goes into great detail on each of our 3 academic learning models and plans for the coming year for you to review.

In addition to the *Reopening Plan & Protocols for the 2020-2021 school year*, you will also find our *Expectations for Distance Learning* 4-page document for students that we urge you to read.

We will continue to communicate with you via email with any updated information and also encourage you to visit www.cristoreybalt.org for the most up to date information on the school. If you have any reopening plan questions, please feel free to email CristoReyCares@cristoreybalt.org.

We recognize that we are living in a time of great uncertainty. Our primary goals as a school are to keep your children and families safe and healthy, and to continue to deliver a quality education to our students whether we are virtual, in-person, or a combination of the two. We are grateful for your continued faith and support as we strive to fulfill our mission with those primary goals in front of mind.

Sincerely,

,
