

At-Home Service Opportunities

Hi Everyone!

I hope you are all settling into this new year well. We are so excited to share these at-home service opportunities with you all. Take a look at the list below of different ways that you can engage and get involved. Go ahead and follow the directions to do whatever sounds interesting to you. And when you are done, make sure to log your hours in Track it Forward, so that I can look at what you did and approve it. If you send your hours to me via email, I will ask you to log them in Track it Forward. As a reminder:

- **Freshmen** should have 10 hours completed by June 2021
- **Sophomores** should complete 10 hours this year, regardless of how many hours you have completed previously
- **Juniors** should complete 10 hours this year, regardless of how many hours you have completed previously
- **Seniors** should complete 10 yours this year, unless you already have 40 hours completed

If nothing on this list sticks out to you as something you are interested in doing and/or you have another idea of how to meaningfully engage with your community in another way, feel free to reach out to me and we can talk about it. Thank you so much!

Best,
Ms. McKinley
